Subject: RE: July CAG mtg presentation dry run

All,

I have posted the USACE's presentation on our ftp site for your review in preparation for the dry run on Tuesday. You can download it on <ftp://ftp.usace.army.mil/pub/nan/>, file name USACE_CAG_8July.

Peter and I will be participating at 4PM for the dry run. I again sincerely apologize that I cannot be at the CAG meeting on Thursday night. I think I told most of you that Peter will be giving the presentation since I have been directed to go to DC to present to representatives from the Congressional members on our Hudson-Raritan Estuary Comprehensive Restoration Plan. The intent of the partners heading down (Port Authority, MWA, National Parks Conservation Association..) is to initiate a program similar to the Great Lakes Restoration to set our region up for future authorization and appropriation. Hopefully this type of outreach will aid in the future restoration of the Lower Passaic as well. Hope it goes well!

Happy 4th of July!

Lisa

Subject: July CAG mtg presentation dry run

Hi All.

Time again to set up the dry run of the presentations for the next CAG meeting. Given that Dave is away in Greece and the upcoming holiday weekend, I'd like to propose Tuesday, July 6th, from 4-5. I'll set up the webinar and send out a call-in #. Please let me know if that works for all of you and I'll go ahead and get that set up.

Thanks and have a good weekend,
Elizabeth
